East-Facing Plots on T. Narasipura Road, Mysuru

Krishnam Varuna Vista is a boutique, DTCP-approved residential layout set in one of Mysuru's fastest-growing residential corridors. Every plot is a generous 30 × 50 ft and faces East, so your home gets morning sunlight and Vastu alignment.

The layout sits just 250 metres off T. Narasipura Road, behind Yathin Hotel. You get easy access to the city while living among open skies, greenery and quiet surroundings.

All infrastructure is already complete, not just promised, and every plot is ready for registration. Krishnam Varuna Vista is a simple, worry-free choice for families planning their dream home and for investors looking for a strong long-term asset.

Our Vision

Building more than plots, building a community.

Krishnam Varuna Vista was created for buyers who value exclusivity, quality and long-term growth. Our vision is a boutique residential layout where every family enjoys sunlit East-facing homes, wide roads, green open spaces and a close-knit neighbourhood.

Every detail is already in place: DTCP approval, complete infrastructure and ready-to-register plots. Buyers can start building their future without delays or uncertainty. As T. Narasipura Road grows into one of Mysuru's most promising residential corridors, Krishnam Varuna Vista offers a peaceful place to live today and a valuable asset for tomorrow.
